Note: Changes or modifications to the product not expressly approved by the manufacturer could void the user's authority to operate the equipment.

Note: This product has been tested and found to comply with the limits of a Class 1A digital device pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the product is operating in a commercial environment. The product generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the user's manual may cause harmful interference to radio communications. Operation of the product in a residential area is likely to cause interference in which case the user will be required to correct the interference.
