

# EC DECLARATION OF CONFORMITY

**Manufacturer:** Heathrow Scientific® LLC, 620 Lakeview Parkway, Vernon Hills, IL 60061 USA

**European Contact:** Emergo, Europe, Princessegracht 20, 2514AP, The Hague, The Netherlands

**Product:** RF3000

**Product Model No(s):** HS3000

This unit has been constructed and conforms to the following:

**EMC Standards and Directives:**

IEC 61326-1:2012 (EN61326-1:2013)

FCC Part 15 Subpart B: 2015

IECS-003, Issue 6

2014/35/EU (Low Voltage Directive)

2012/19/EU (WEEE)

RoHS3 (EU 2015/863)

**Safety Standards:**

EN/IEC 61010-1 ed. 3.1, 2017

UL Std. 61010-1 ed. 3, 2012

CAN/CSA C22.2 No. 61010-1-12 (R2017)

This device complies with Canadian ICES-001

Title: Vice President Product Development/Manufacturing

Location: Vernon Hills, IL

Date of Issue: June 2022

Note: Changes or modifications to the product not expressly approved by the manufacturer could void the user's authority to operate the equipment.

Note: This product has been tested and found to comply with the limits of a Class 1A digital device pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the product is operating in a commercial environment. The product generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the user's manual may cause harmful interference to radio communications. Operation of the product in a residential area is likely to cause interference in which case the user will be required to correct the interference.
